Jay's Space

If you did not go the TBA Leadership Event on Saturday, you missed some very good workshops. I am proud of our church. We had 10 people to register for the event.

Wednesday Night Connection is progressing well. Last Wednesday we had 12 adults for the Bible Study, plus youth and the ESL class. We have a number of opportunities available to our members. We have lively Sunday School Classes. Not very many people attend, and that is disappointing to the leaders that prepare a lesson and them people don't come to one of the classes.

I have mentioned a couple of times in the past weeks about the importance of Bible Study and prayer. Again I ask you to set some time aside each day for devotions and prayers. We need to be praying for our church every day. If you recall, the scripture says anything is possible thru prayer. Who knows what might happen if we spend time with scripture and prayer.

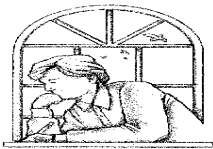

The Disciples Men's Fellowship will not be meeting on the first Saturday of each month until further notice.

Don't forget the first Saturday is clean-up, fix-up day. We have a number of projects that need our attention, so come on down and lets just get them done.

I pray for our church and each of you every day.

Grace and Peace

Jay

Chris's corner

I hope all of you have had a great start to 2010 this looks to be another great year at Hurst Christian Church. The youth will be somewhat busy over the next few months with different activities. The next activity that actually includes both the youth and adults is the Pancake Breakfast on February 7th from 8:30-9:15. The Cub Scouts that meet here will be providing all the food and material all you need to bring is an empty belly. The next HCC youth activity is CYF Mid-Winter that will take place February 26th-28th in Athens Texas. I like also to take some time and share how my personal journey has been going here at Hurst. I have since my last article taken my second license ministers class along with JM. This past class focused on setting our personal journey in ministry. I also attended this past weekend a TBA Leadership Conference at South Hills Christian Church. The two seminar classes I attended were How to keep your church out of court and The Emerging Emergent Church. These were both excellent and well lead break out sessions. I like to close this corner with something a friend shared with me this week she said "Don't wait on the tragic moments to remind someone how much you love them you never know when the lord is going to take them away from you" I encourage you all to pick up a phone this week and tell that special someone in your life how much you love them.

God Bless,
Chris Kahlmorgan
Minister of Youth HCC
